

Board of Education and Superintendent Mutual Goals for 2009 - 2012

The Board of Education recognizes the importance of setting annual goals and objectives for the school system.

1. **Academics**

The District will cultivate a learning community where students are engaged and encouraged to strive for excellence to achieve their fullest potential.

2. **Social/Emotional**

The District will support the development of student character to foster mutual respect, social awareness, integrity and responsibility.

3. **Community**

The District will foster an inviting, respectful, and inclusive culture of cooperation that embraces change and lifelong learning.

4. **Personal Wellness**

The District will enhance students' well being by promoting healthy lifestyles and informed, responsible decision making.

5. **Family Engagement**

The District will support constructive partnerships that promote family engagement and raise educational productivity through clear, open, and timely communication.

6. **Technology**

The District will use technology to enhance learning, communication, and organization.
